## INDOOR-OUTDOOR

Created to Perform – Without Compromise.

Take the colours, textures and joie de vivre of our fine interior fabrics outside.

Made from 100% recycled plastic bottles and designed for easy care and long life. Our outdoor fabrics are made without PFC/PFAS and contain no harmful 'forever chemicals'.

**The fabric** is water-resistant,  
anti-mould, anti-mildew and UV stable.

Suitable for upholstery, curtains and cushions.

Martindale rub test of 40,000.
